FINANCE

F/15/26 Review of Bank Mandate

The Parish Council had three accounts with the National Westminster Bank Plc. Cllr Bicknell was the registered administrator of the Bankline online access to the accounts and could produce financial reports and independently make changes to the mandate (the official written instructions to the bank on the operation of the accounts). These payments would then require online approval at the bank by two of the five Councillors who were registered as online signatories. Two Councillor signatories were required for the signing of cheques. **ACTION: Clerk** to detail the banking process and list signatories on the Risk Management Schedule.

Total Parish Council funds were currently only slightly over the £120K Financial Services Compensation Scheme cover limit. **ACTION: Clerk** to provide information to the September Full Council meeting for a new savings account to enable all Council funds to be covered by the FSCS.

The property titles for Vann Common, the Village Green and the burial ground, the leases for the public toilets and the playground, other licences and a list of documents held by the County Records Office were held at local solicitor offices and/or the Parish Council office.
